

## Grade 3 Supply List 2017-18

Dear Parents,

Kindly supply the following materials for the 2017-18 school year to be brought on the first day of school. The beginning days of school can be quite chaotic, so we have divided the supplies as to where they will be going. If you could send these in separate bags, we would be so appreciative. We are trying an alternate method of keeping the children organized and ready to work at all times! We will use a 'community' plan with regards to supplies. Therefore we do not require pencil cases and your labelling of items will be greatly reduced. **Please keep in mind that Dollar Store pencils and notebooks are of inferior quality.** We look forward to working with your children!
